AS A BAND

(5 pts) As a band I want to be able to make a profile that shows information about my band, including links to my websites.

(5 pts) As a band I want to be able to approve or deny a request from a venue to play a show.

(5 pts) As a band I want to be able to request to play an open show a venue has posted.

(5 pts) As a band I want to receive feedback for when a request/booking has been confirmed or denied by the venue.

(10 pts) As a band, I want to be able to view a venue's profile, so that I can see a travel distance from the venue and upcoming show/ dates. (Google API)

(5 pts) As a band, I want to be able to rate that venue and see a combined rating from other bands

(5 points) As a band, I want to receive a message from a venue.

(10 points) As a band, I want my profile to also show my recent posts from Twitter and Facebook to display to venues that my band has an active social media presence (and as a result allow venues to see that bands are promoting the shows they scheduled them for)

AS A VENUE

(5 pts) As a venue, I want to be able to make a profile with my location and any other venue details I want to include.

(5 pts) As a venue I want to be able to post an open event that bands can request to play.

(5 pts) As a venue I want to be able to request a specific band to play a show.

(5 pts) As a venue I want to be able to send a message to bands through the App.

(5 pts) As a venue, I want to receive feedback for when a band has accepted/denied a show offer.
